

# Webinar Invitation

21 August 6pm

MyABF – Bridge NSW  
Webinar

Clubs in NSW that run congresses are now familiar with some of the capability of MyABF. This is only part of the functionality being built into MyABF.

Could your club benefit from My ABF's capability that:

- Enables you to manage member lists
- Provides customised email communications to your members
- Enables you to create events and accept payment for these events
- Accepts payment for club sessions, and
- Publishes results of club sessions?

The only cost of MyABF to clubs is a charge on monetary transactions that is less than EFTPOS charges from credit cards.

Bridge NSW, in collaboration with MyABF, will be providing an online demonstration of the product and how one club is using it on Wednesday 21 August from 6-7pm.

If you would like to attend, please register on MyABF at <https://www.myabf.com.au/events/congress/view/1796> or if you are not registered with MyABF by email to [office@bridgensw.com.au](mailto:office@bridgensw.com.au).

To help manage numbers the link to the webinar will be emailed to registered participants the day before.

More information on MyABF can be found at [www.abf.com.au/member-services/my-abf-resources/](http://www.abf.com.au/member-services/my-abf-resources/)

We look forward to seeing you and other members of your committee at this valuable webinar.
