

**JOHN ARKINSTALL STATE TEAMS  
SYDNEY METROPOLITAN DIVISION  
SUPPLEMENTARY TOURNAMENT REGULATIONS**

1. The State Open Teams Championship is conducted under the Laws of Duplicate Bridge 2007 and the Tournament Regulations of the New South Wales Bridge Association, as amended.
2. Qualifying for the Final Series is divided into 5 divisions:
  - The Sydney Metropolitan Division qualifies 2 teams to the Final Series via the Metropolitan Final.
  - The Country Teams Championship qualifies 3 teams to the Final Series, one from each of the Northern, Southern and Outer Metropolitan Divisions.
  - The NSWBA Qualifying event qualifies 3 teams to the Final Series.
3. Qualifying Conditions  
Clubs holding a qualifying tournament **must send at least one team** to represent the club at the Metropolitan Final in order to receive **red masterpoints** for a club qualifying competition.
4. Yellow Systems are not permitted in club qualifying events. Yellow Systems will be permitted in the Metropolitan Final and in the State Final in accordance with the NSWBA regulations in force at the time.
5. Players do not have to be members of the club at which the qualifying competition is held but must be resident in the Sydney Metropolitan area, or play a significant amount of bridge at one or more clubs located in the Sydney Metropolitan area.
6. Club qualifying events may take the form of a teams event or butler pairs competition, over a maximum of **six** sessions. Clubs may run two separate qualifying events, provided one is played during the day and the other at night.
7. Directors must be qualified at Club level (Grade D) or above.
8. Qualification to Metropolitan Final
  - 8.1 Teams placed in the top half of the field(s) are eligible to play in the Metropolitan Final, provided they are *bona fide* competing teams. This means that the team must have entered and played the club qualifying event as a team - it is not allowable for players who have qualified in different teams to play together in the Final as club representatives.
  - 8.2 Any substitution in, or augmentation to, a team that plays in the Metropolitan Final must comply with the NSWBA Tournament Regulations (see Section 4 of those regulations) and must be approved by the Convener prior to the commencement of the Final. A team can only be augmented by a single player or by a pair. Notwithstanding the above, the Convener, in his absolute discretion, shall have the right to accept or reject nominations which may be outside these guidelines, in order to facilitate the running of this event. Players should not assume a favourable decision by the Convener.
9. Masterpoints
  - 9.1 Red masterpoints will be awarded at State Championship level (B). Red masterpoints are to be calculated by the club masterpoint secretary on a weighting of 5.0. The event is run under the NSWBA's B4s (State Championship) allowance – do not use your club's B4c sessions.
  - 9.2 Red masterpoints are awarded on a sessional basis only; i.e. there is NO outright award. If a club runs a qualifying session(s), followed by a final and consolation, only the players in the final will receive red masterpoints. Red masterpoints cannot be awarded to players in the consolation as they cannot qualify for the next stage of the competition. (Green masterpoints may be awarded to these players as for a normal club session, through the standard quarterly return.)

- 9.3 The red masterpoints awarded are not to be entered on the club's quarterly or monthly return to the ABF Masterpoint Centre, but must instead be sent to the Convener. They may be entered on Congress Award forms (obtainable from the ABF Masterpoint Centre) showing the names and ABF numbers of all players in the section who have won masterpoints, or preferably as an email attachment. They should not be sent to the ABF Masterpoint Centre by e-mail.
- 9.4 Masterpoints issued at the Metropolitan Final (new, higher awards in 2011):  
Sessional awards will have a weighting of 7.5 (*i.e.* 0.06 red MP per board).  
Outright awards (new) will have a weighting of 5.0.
10. Administration
- 10.1 A form to assist hosting clubs is available for download from the NSWBA website <http://www.nswba.com.au/tourn/state/2011/sot.htm#sotcf>. This is to be completed and used as a cover sheet and check list. The club needs to send the following to the Convener no later than **12 September 2011**:
- The completed coversheet available from the NSWBA website (see above).
  - A complete copy of the results of each session, noting any change of personnel between sessions. A hard copy is preferred, though a Word/Excel/text/pdf file is also adequate.
  - Masterpoint information: The completed Congress Award form, or file in .mp2 or .red format, sent as an email attachment.
  - A cheque for the masterpoints and entry fees. Masterpoint costs are calculated at **\$1.16 per masterpoint**. Entry fees are calculated according to the table on the first page. Cheques are to be made payable to the NSWBA;
  - A complete list of members and their ABF numbers of teams that proceed to the Divisional Final.
- 10.2 NOTE: No nominations or entries will be accepted unless payment is received together with all of the requirements listed above.
